Thanks for your interest in motorcycling and your inquiry on B.S.A. You will find the specifications completely detailed in the catalog itself but there is no greater thrill than personally viewing these magnificent, gleaming B.S.A. machines. Why not drop in on your local B.S.A. dealer and have a look? His name and address is on the label.... he has been apprised of your inquiry and is most eager to serve your needs. No obligation of course. Thanks again.
